Academic History

- 2014:** Secondary Teaching Certification Program, GPA 4.0, RSC
2011: Teaching and Learning in the Community College Setting , GPA 4.0, RSC
2008: Masters of Science in Physics, Experimental Solid-State Condensed Matter, Emphasis in Crystallography and Electron Microscopy , magna cum laude GPA 3.63, ASU
2006: Bachelors of Science in Physics, cum Laude, GPA 3.58, ASU
2003: Associate in Science, Special Requirements, magna cum laude, GPA 3.76 MCC;
Associate in Arts, magna cum laude, GPA 3.76, MCC

Teaching Experience

- 2022 - present:** Secondary Teacher, Software and App Development, EVIT
2013 - 22: Secondary Teacher, Physics (Dual Enrollment Qualified through MCCC),
Trigonometry/Precalculus (Dual Enrollment Qualified through Rio Salado of the MCCC), Year 2
Algebra, NSAA
2009 - 13: Adjunct Instructor, GE 127/MAT1210- Math I (algebra); MAT1310 - Math 2
(algebra/trigonometry); GE 184/GS1140- Problem Solving (critical thinking); GE 253/PHY2530-
Physics; ET145- AC Electronics; ET1210- DC/AC Electronics; GS1145 Strategies for the Technical
Professional (college preparedness); ITT Tech
2009 (Fall): Graduate Teaching Assistant, PHY 131- University Physics II Electricity and Magnetism, ASU
2005 - 07: Undergraduate Teaching Assistant, PHY 101- Introduction to Physics; PHY 111- General Physics
I Classical Mechanics; PHY 112- General Physics II Electricity and Magnetism; PHY 131- University
Physics II Electricity and Magnetism; PHY 201- Mathematical Methods in Physics I; PHY 302-
Mathematical Methods in Physics II, ASU
2002 - 03: Student Math Tutor, All Math at or below Calculus II, MCC
2001 - 02: Voluntary Teaching Assistant, Algebra II, MAA

Professional Development and Projects

- 2025 - 26:** Developed and implemented a standards-aligned software and app development curriculum
integrating differentiated, student-centered, asynchronous learning with hands-on projects. Designed
vertically aligned assessments (DOK/Bloom's) and incorporated spiral review to promote long-term
mastery. EVIT
2023 - 24: Completed professional development in Career and Technical Student Organizations (CTSO)
engagement, Work-Based Learning, Suicide Prevention, Differentiated Instruction, and Project-Based
Learning.
2022 - 23: Participated in professional development focused on strategies to inspire students and curriculum
writing workshops.
2022 (Summer): Attended the Arizona Career and Technical Education (AZCTE) Conference

2020-21: Served as Remote Learning Teacher, managing the transition to and delivery of virtual instruction. Completed training in Building Trauma-Sensitive Schools, Trauma Sensitivity, and Suicide Prevention.

2019 - 20: Independently redesigned a high school physics course to align with dual enrollment College Physics standards, developing all lectures, labs, assignments, and student materials to ensure rigor and postsecondary readiness, NSAA

2018 (Spring): Planned and facilitated an all-faculty roundtable on the impact of cell phone use on student mental health. NSAA

2018 (Fall): Planned and facilitated an all-faculty roundtable on Gender Identity/Dysmorphia and its impact on students. NSAA

2018 - 19: Developed and implemented standards-aligned Algebra II and Precalculus courses incorporating differentiated, student-centered, asynchronous learning, hands-on projects, and vertically aligned assessments (DOK/Bloom's), with spiral review to support long-term mastery. NSAA

2017 (Spring): Planned and facilitated a faculty roundtable on the impact of poverty in the classroom. NSAA

2017 (Fall): Planned and facilitated an all-high school faculty roundtable on classroom management. NSAA

2017 (Spring): Led the planning, design, and facilitation of monthly professional development workshops supporting data-driven decision-making strategies. NSAA

2016 - 19: Independently aligned grades 6–12 mathematics curriculum to Arizona State Standards. Developed comprehensive curriculum frameworks, including overviews, storylines, scope and sequence, curriculum maps, and unit planning guidance to ensure vertical coherence and instructional consistency. NSAA

2016 (Spring): Co-led the planning, design, and facilitation of monthly professional development workshops focused on school-wide instructional alignment, curriculum implementation, and teacher practice through standards-based training and instructional coaching strategies. NSAA

2014 - 19: STEM Lead - Designed and facilitated professional development and instructional support for STEM educators, focusing on standards-based instruction, curriculum integration, and project-based learning., NSAA

2013: Completed a 4-week Physics Modeling Workshop in Electricity and Magnetism at ASU.

2013: Completed a 4-week Physics Modeling Workshop in Mechanics at ASU.

2009 - 2013: Designed and developed a lecture-based Algebra course, a lecture-based Physics course, and a project-based Problem Solving course for adult learners. Created comprehensive lesson plans, student practice materials, and assessments to support instruction. ITT Tech

2004 - 2006: Designed student-centered, group-based recitation sessions for university-level physics courses serving engineering students.

Awards and Certifications

2025: Artificial Intelligence Certification, Certiport ITS

2024: JavaScript Certification, Certiport ITS

2024: HTML and CSS Certification, Certiport ITS

2024: Responsive Web Design Certificate, FreeCodeCamp

2024: Data Analytics Certification, Certiport ITS

2024: Computational Thinking Certification, Certiport ITS

2023: Python Certification, Certiport ITS

2019: CTE Teaching Certification, Arizona Department of Education

2013: Teaching Certification, Arizona Department of Education

2013: Teacher of the Quarter, *ITT Tech*

2006: Undergraduate Teaching Assistant of the Year, ASU Department of Physics

Academic Societies and Associations

2024: SkillStruck Ambassador

2022: Computer Science Teachers Association (CSTA)

National Technical Honor Society; ITT Tech 141; Chapter Co-Advisor

Instructor Representative; ITT Tech 141; Keep Students in School committee (Academic engagement/student retention focus group)

American Association of Physics Teachers

Sigma Pi Sigma, National Physics Honor Society

Society of Physics Students

Publications

[Droplet streams for serial crystallography of proteins](#)

Institutions

RSC
Rio Salado College
2323 W 14th St, Tempe, AZ 85281
(480) 517-8000

ASU
Arizona State University
College of Liberal Arts
Department of Physics
PO Box 871504
Arizona State University
Tempe, Arizona 85287-1504

MCC
Mesa Community College
1833 West Southern Ave
Mesa, AZ 85202
480-461-7000

EVIT
East Valley Institute of Technology
1601 W. Main St., Mesa, AZ 85201

(480) 461-4154

NSAA
New School for the Arts and Academics
1216 East Apache Blvd.
Tempe, AZ, 85281
480-481-9235

MCCCD
Maricopa Community College District
2411 W. 14th St., Tempe, AZ 85281
(480) 731-8000
